UCID: 30026610

GitHub link: https://github.com/jiananding/Lego-chat-room

How to run:

1. Unzip the folder
2. Open a terminal inside the 'Chat' folder
3. Type in 'node server'
4. Open a browser (Chrome)
5. Go to 'localhost:3001'
6. If port 3001 is not working, please change the variable port in server.js
7. Enjoy
